Short Narrative

The Pak-Benelux Overseas Chamber of Commerce and Industry is an effort to strengthen and diversify trade relations between Pakistan and Benelux countries (Belgium, Netherlands, Luxembourg). The forum shall contribute in enhancing interactions between industrialists, traders, researchers and governmental officials. The forum shall act as central point to disseminate information, background researches and product promotions. The forum shall facilitate traders and promoters of both Pakistan and Benelux countries. Besides that, the forum shall enhance social, educational and cultural interactions.

Short Narrative

The newly elected government of Pakistan reflects the ambitions and aspirations of the people of Pakistan for a changed Pakistan. The vision of the new government and its visionary leader is centered on a dignified nation with fully realized economic potential exchanged with community of nations. The practical implementation of such a grand vision needs focused interventions from individuals and collectives.

The PABOCCI envisions a facilitating role between the governments and individual traders/industrialists. There is a lot of space to enhance the trade potential. Belgium is the 10th largest trading partner of Pakistan with total trade amounting to \$700.7 million. Pakistan's major exports to Belgium include cotton fabrics, synthetic textiles, readymade garments, hosiery, bed ware, fish and fish preparations, sports goods and leather clothing. The Belgian exports to Pakistan include chemical industry products, metals, plant and machinery, plastic and rubber products.

Similarly, Netherlands is the 8th largest trading partner of Pakistan with trade magnitude of \$ 758 million.

Pakistan's imports from Netherlands include mineral fuels, oils, distillation products, cereals, flour, starch, milk products, machinery, boilers, pharmaceutical products, plastics, organic chemicals, iron and steel. The Pakistan's exports to Netherlands include articles of apparel, cotton, beverages, spirits, vinegar, articles of leather, copper, sports requisites, and sugar, among others.

PABOCCI sees a lot of potential in enhancement of the trade relations in the above-mentioned sectors as well as in agriculture and environment industry. The PABOCCI shall strive to establish links with research institutes,

universities and think tanks to transfer technology and knowledge from Benelux countries to Pakistan. PABOCCI shall also enhance cultural interactions.

Mission Statement

PABOCCI shall strive to enhance business and trade relations between Pakistan and Benelux countries through facilitating and providing relevant information and background knowledge to interested trade partners. PABOCCI shall also facilitate technology and culture exchanges.

Objectives

- To contribute towards enhance trade relations between Pakistan and Benelux countries
- To help transfer of technology from Benelux countries to Pakistan
